

PUT YOUR ELECTRIC DEPOSIT TO WORK

**NO DEPOSITS.
NO LATE OR
DISCONNECT FEES.
NO MONTHLY BILLS.**

Midstate Electric's PowerPay Program

PowerPay members do not pay a deposit. As a current Midstate Electric member, you will have your existing deposit applied against the balance owed on your account. If there is any remaining amount, it will be used as a credit on your PowerPay account.

CHOOSE HOW OFTEN YOU PAY AND HOW MUCH YOU PAY

Think of PowerPay the same as when you put gas in your car. You pay for it before you use it. You can purchase a small amount every few days or "fill up" the tank and not worry about it for several weeks.

MONITOR YOUR ELECTRIC USE

Your usage and balance are calculated daily. Once PowerPay is activated, you can monitor your usage at MyUsage.com. You can elect to be notified of low balances, daily balance, pending disconnect, disconnection and reconnection via phone, email and/or text messaging.

SIGN UP TODAY

If you would like to sign up for PowerPay or would like additional information about the program, call the Customer Service Department at 541-536-2126 or stop by our office.
